INFORMATION & ACCREDITATION

AASPP's 20th Anniversary Conference

Please help us observe this momentous occasion as we look back over our many accomplishments and celebrate lasting friendships.

Program Description

This four-day conference covers issues facing medical professionals who provide care for infants at increased risk for sudden death and children with sleep disorders. There are sessions on the latest research findings and practice guidelines. And there are reviews of recent literature regarding SIDS and Sleep Disorders.

Target Audience

This annual conference was developed for neonatologists, pediatric pulmonologists, pediatric neurologists, nurses, respiratory therapists and other healthcare professionals who have an interest in sudden infant death and sleep disorders.

Pre-Conference Research Session

Wednesday September 21, 2pm-4pm

This accredited session is being held to discuss the current research projects in which AASPP is participating. Updates will be provided on DECAF and the NICU Discharge Survey. Additionally, new projects will be explored. Please pre-register.

Social Activities

Banquet

The conference banquet will be from 7-9pm on Thursday night and will be held at the South Seas Resort. A banquet ticket is included with each registration. Guest tickets can be purchased for an additional \$45.

Hospitality Suite

We have a lovely hospitality suite overlooking the harbor. It will be opened at announced times for connecting with old friends and meeting new friends. See schedule,

Boating Activity

A boating activity is being planned for Friday afternoon. We'll explore the open waters and hopefully see a few dolphins. Details and ticket prices will be announced later.

CMEs

This activity has been planned and implemented in accordance with the Essential Areas and policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of SUNY Upstate Medical University and American Association of SIDS Prevention Physicians. SUNY Upstate Medical University is accredited by the ACCME to provide continuing medical education for physicians.

SUNY Upstate Medical University designates this educational activity for a maximum of 14 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Faculty Disclosures

All faculty members participating in CME activities sponsored by SUNY Upstate Medical University are expected to disclose to the participants any real or apparent conflict of interest related to the content of their presentation. Full disclosure of faculty relationships will be made at the activity.

Learning Objectives

1. List at least 1 AASPP associated research project and explain the purpose and methodology.
2. Describe 2 major challenges facing the sleep educator and explain possible solutions.
3. Discuss the major change in home apnea monitoring in the last 20 years.
4. Give one major result of the DECAF Pilot Study and explain how it will affect your job.
5. Give 2 things learned in the literature review that will impact patient care.
6. Explain the relationship between prenatal alcohol exposure and SIDS.
7. Explain the need for tissue studies in understanding SIDS/SUID deaths.
8. Describe at least 2 SIDS issues facing Nurses and RTs.
9. Clarify the relationship between sleep and obesity.
10. Explain how maternal obstructive sleep apnea impacts pregnancy and fetal growth.
11. Describe under what circumstances oxygen challenge tests are important before flying with an at-risk infant.
12. Depict how preterms' EEGs can be used to assess risk for impairment.
13. Compare NICU events vs. home ALTEs for preterms.
14. Describe an effective way to perform car seat challenges.
15. Explain an important thing learned from the abstract presentations and tell how it will affect the way you perform your job
